Never Lose Your Keys.

Leave your keys at home with the E-LOK 8-Series Smart Lock. Powered by the same E-LOK App used with the E-LOK 5,6,7,8 and 9-Series.

The E-LOK 8-Series has an Integrated Wi-Fi Gateway model available, so you can remotely control your E-LOK with the convenience of not having to have a separate Wi-Fi module.

Easy retrofitting with adjustable top fixing-screw design. E-LOK 8-Series seamlessly covers the holes of common existing door locks.

E-LOK App allows for wide range of controls. Programme the 8-Series on Auto-lock or passage mode. Add and delete range of custom pincodes right from your phone and view access records including failed unlock attempts all while being away from your lock.
